

# Christmas Coloring Book

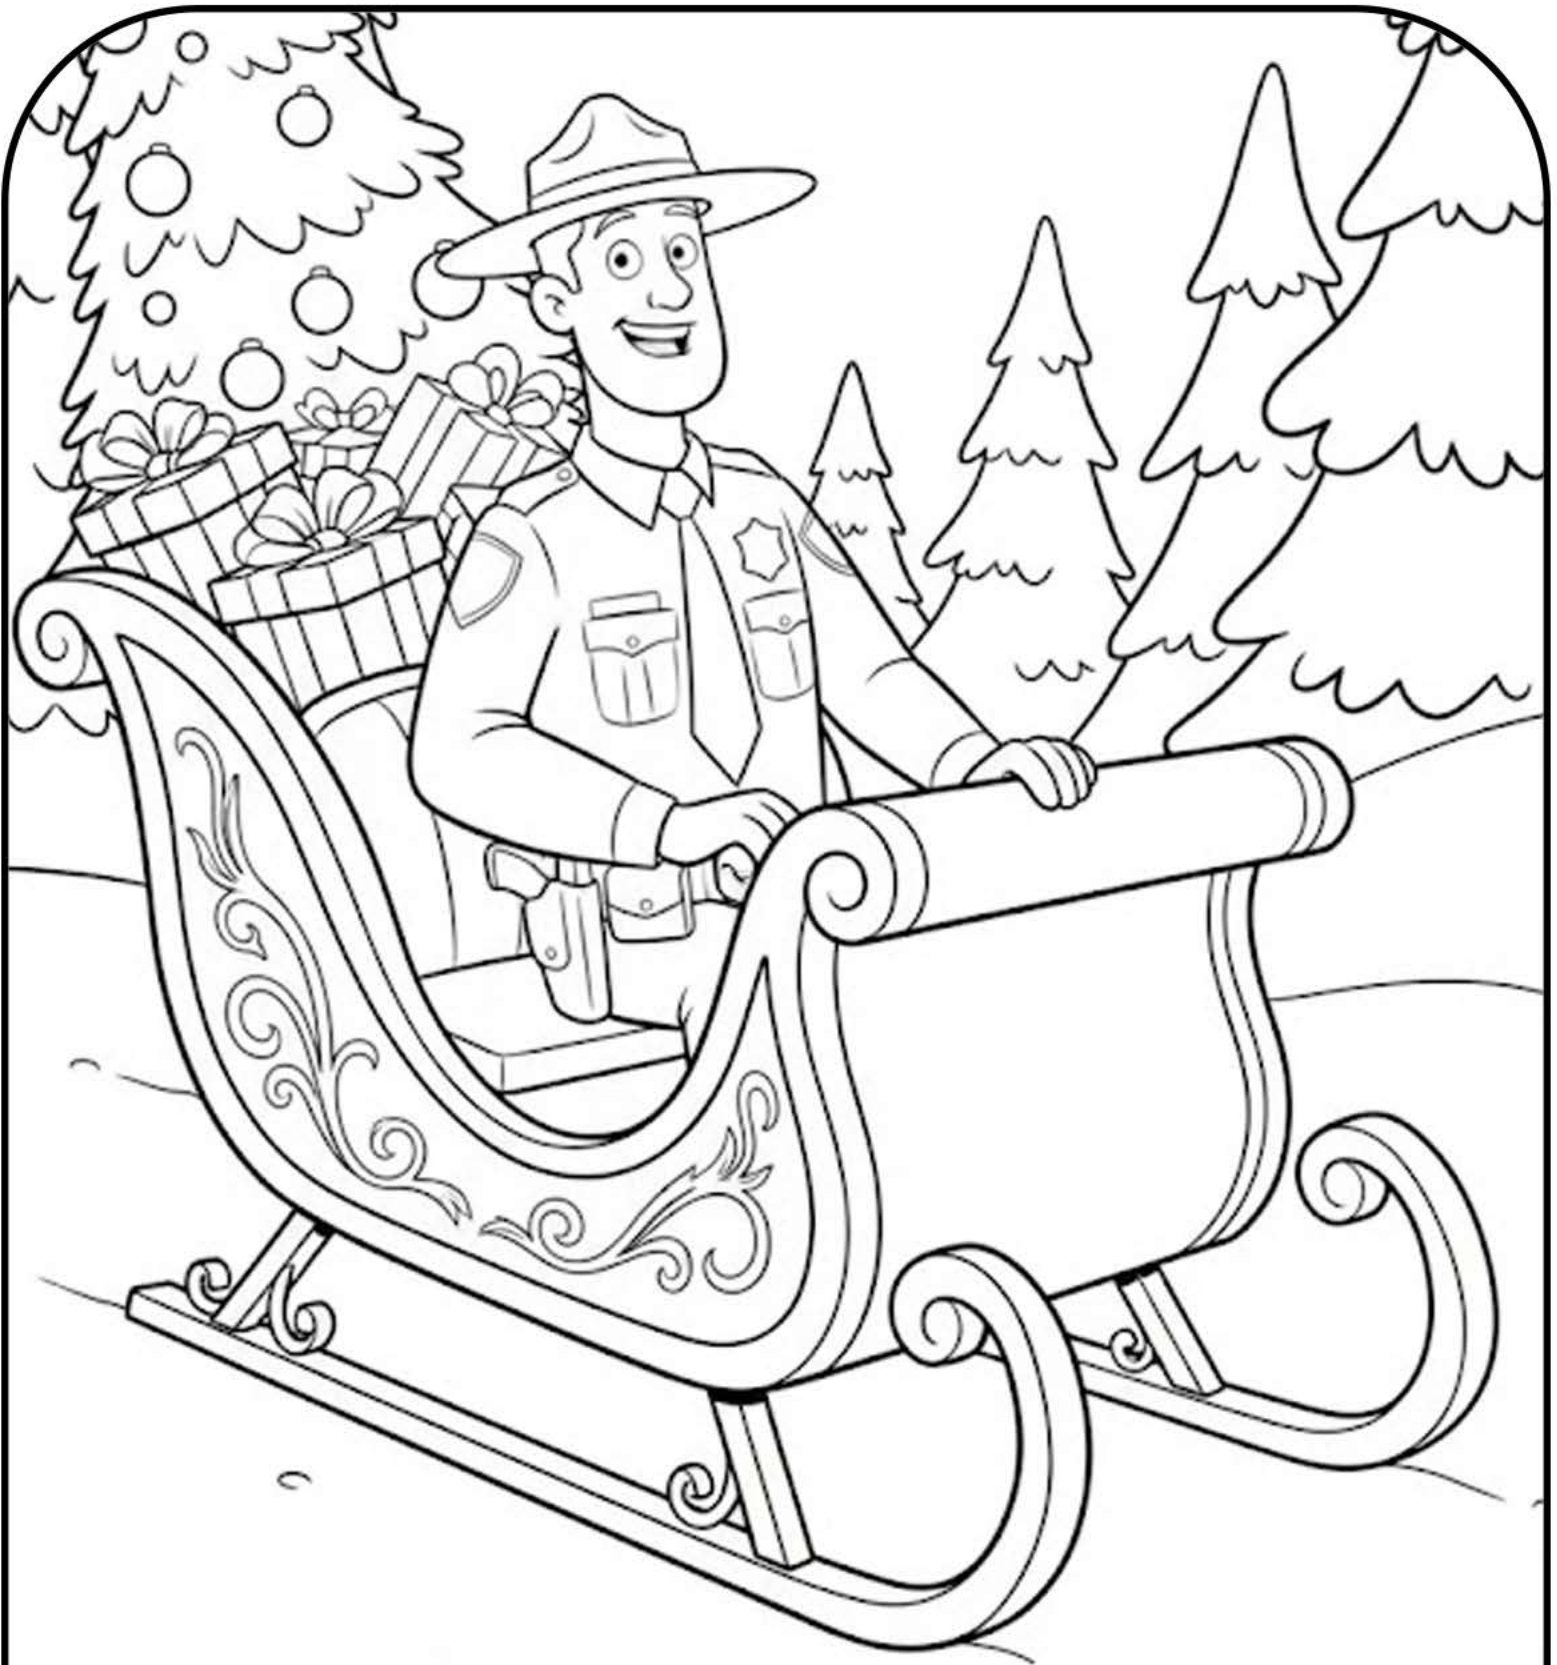

From your Indiana Hunter Education  
Association Friends

Hunter Ed and his trusty buddy, T-Bone, are excited to celebrate Christmas with their family & friends!

Conservation Officer Karl is on his way to visit his friends in his brand new "Winter Patrol Sled"

Conservation Officer Karl and Hunter Ed are great friends! They were just about to exchange presents when all of a sudden, they heard a big CRASH!

T-Bone climbed the Christmas Tree because he thought he saw that pesky squirrel again!

T-Bone made one very large mistake!

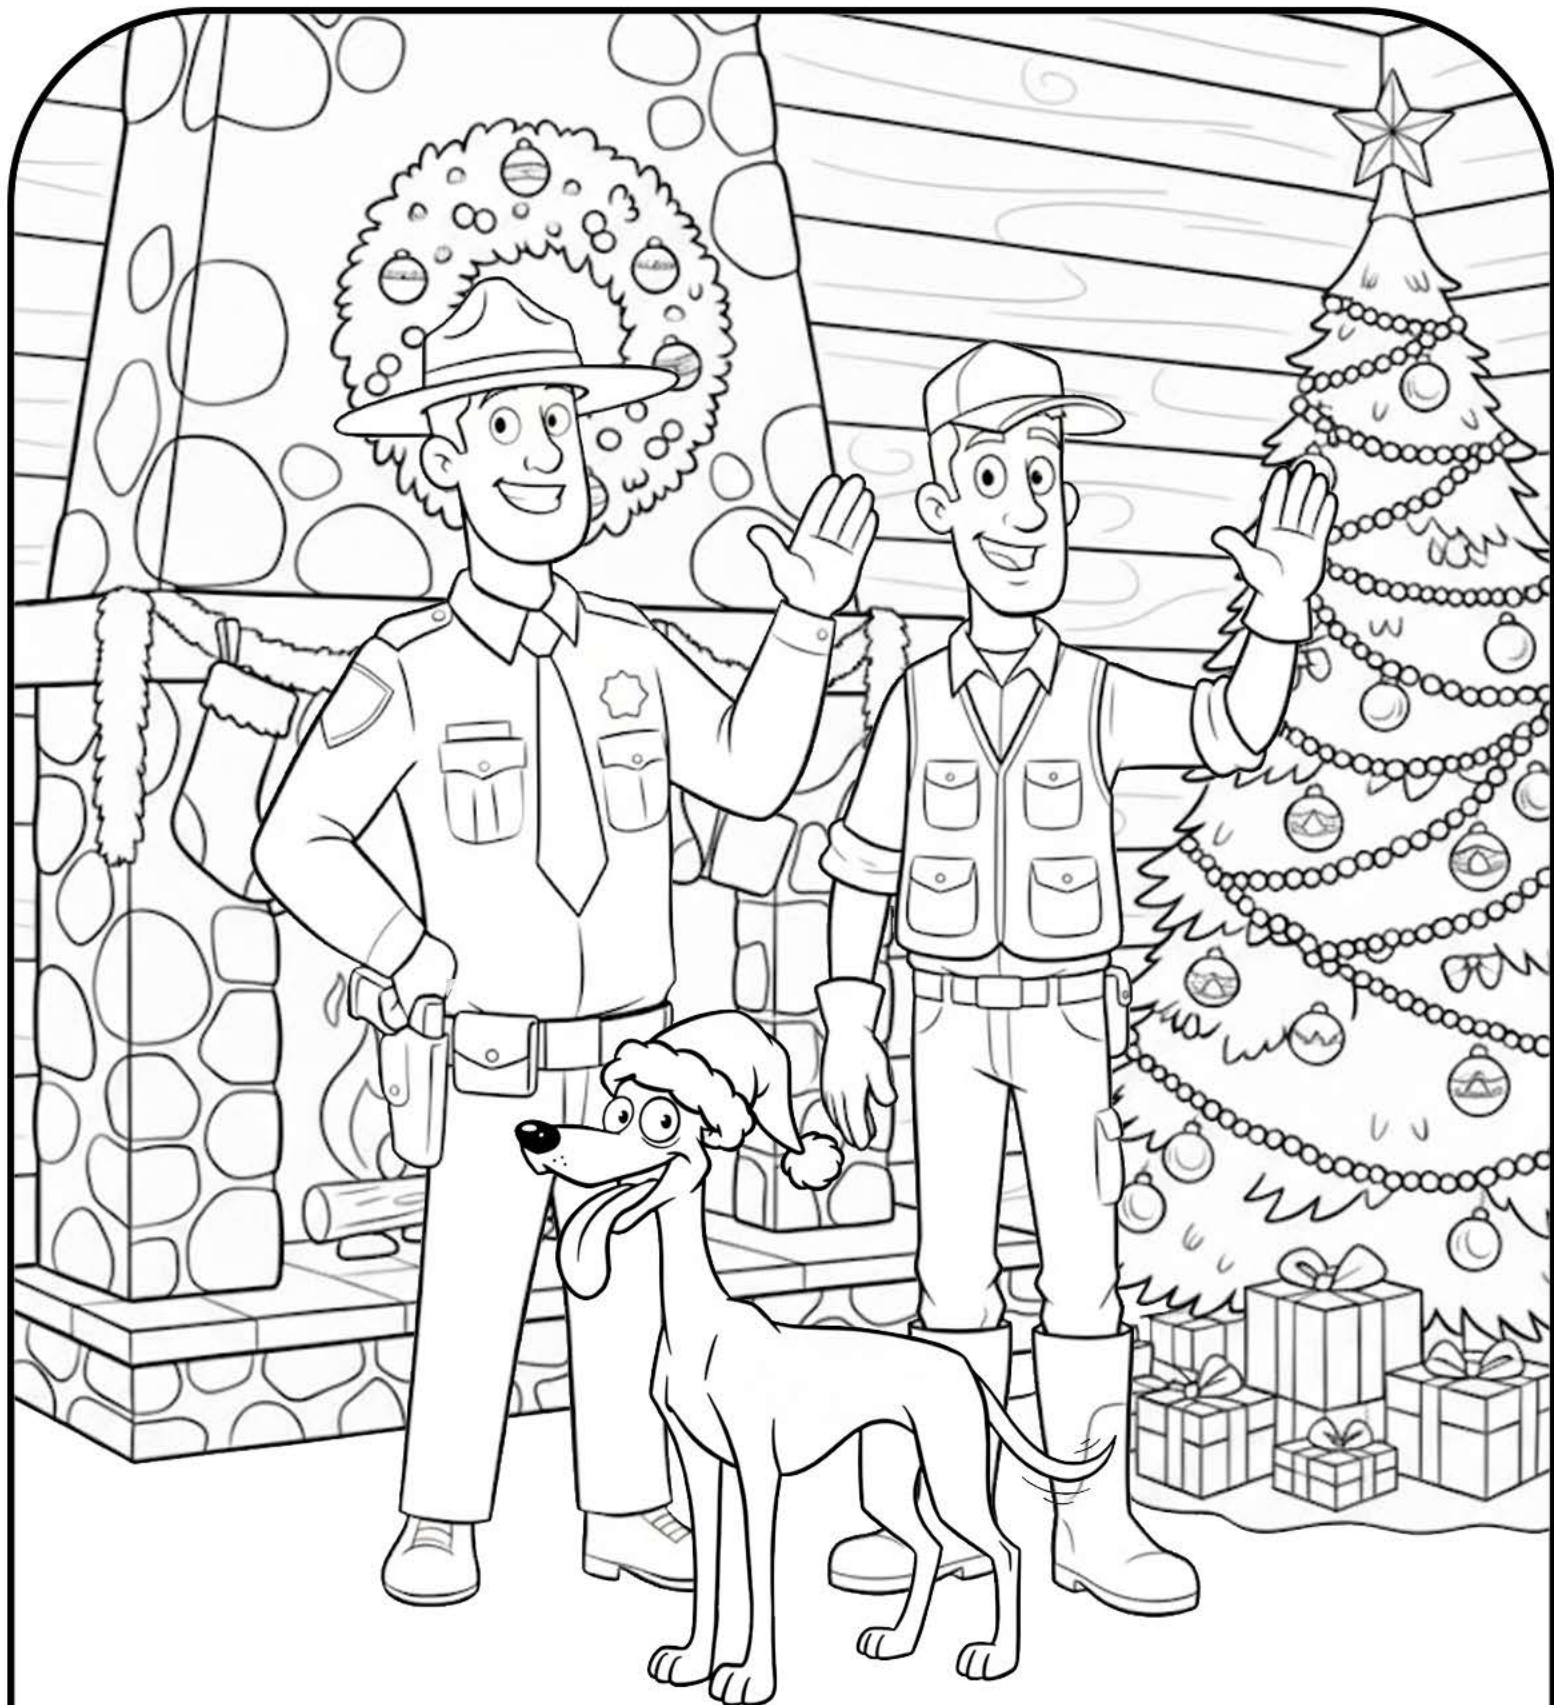

Silly T-Bone! Any time you hunt off the ground,  
be connected with a full body harness!

Good thing Conservation Officer Karl was there to  
help T-Bone get down!

Always remember to be connected with a full body harness when you hunt off the ground!

Merry Christmas & Happy Holidays

From Conservation Officer Karl, Hunter Ed, & T-Bone!
